

## Shorts About Service Men

### What the Boys are Doing Here and There

Sgt. Karl Kielhofer writes that he has received seven issues of the Sierra Sun since July and tells how much they are enjoyed. He is establishing his home at his new post by putting a floor in his tent. Karl has nothing but praise for the medical and dental attention the men receive but says he is in a good spot to save money as he has been able to spend only \$2 during the time he has been there.

Mr. and Mrs. Jack Wolert were made doubly happy last Thursday when they received a telephone call from their son, Dave Bolender of the navy from Oakland where he has been granted a furlough following many hazardous experiences in the Pacific and in strange countries. Incidentally, Dave, who is now only 18, survived the sinking of the Northampton several months ago. The second call to the Wolerts advised them that Mr. and Mrs. Eddie Dugan of San Francisco became the parents of a nine pound son on that date. The mother is a daughter of Mrs. Wolert. The boy was named John.

Monett Hamilton, Jr., with the navy on the Atlantic, was granted a furlough this week but was not given sufficient time to come to Tahoe to visit his parents.

Mrs. Mel C. Hayes learned indirectly that her brother, Frank Hanson, who is an air force doctor, was awarded a silver star for heroism while under fire on a battle field.

According to word received by Mrs. Anna Tuttle of Sacramento, her husband, Technical Sergeant Richard Tuttle son of the late Judge Raglan Tuttle of Nevada County, is missing in action in the North-African-European theater of war. He was a radio technician on a Liberator and had been overseas for more than a year.

M. A. Peterson, a former Truckee State Highway Patrolman, writes that he is completing training at the Sheppard Field in Texas. Peterson has a leave of absence from the patrol.

Pvt. Byron Johnson of the ski troopers writes that the Sierra Sun which he missed for a few weeks is now arriving and is most welcome. He said that in his isolated location he met his uncle, Roy Tonlon as they were moving into a new camp. They spent one Sunday together making a tour of the Jap dugouts and gun emplacements which he said are really interesting. A great many of the guns are still in place and they found two tons of Jap ammunition. By said our air corps and navy really did a good job as you couldn't go anywhere on the island without finding shell holes. He says he saw some blue fox and was surprised to find how small they were, not any bigger than a small dog. He also tells of spearing a strange looking fish on the beach. It was about four and a half feet long and only about six inches around the middle of the body. It had very sharp teeth at least an inch long and no one seemed to know what it was. By says they are all well and no need for worry.

### WIDOW OF T.J. AKERS DIES AT BAY CITY

Mrs. Elizabeth Akers, wife of the late T. J. Akers, one-time trainmaster here, died suddenly Saturday at an Oakland hotel where she had made her home.

The deceased was a native of Nevada City and was 77 years of age. She is survived by her daughter, Mrs. Thomas Carlson of Oakland and a son, Joseph C. Akers of Los Angeles and three grand children.

Mrs. Akers as the first worthy matron of the Eastern Star Chapter in the state of Nevada and had always retained her membership in Reno.

The funeral service was held from Grant Miller Mortuary in Oakland and interment was in the Mountain View mausoleum.

Akers as trainmaster here from 1892 to 1902 and for many years was attorney for the Key Route system in Oakland. A wide circle of friends extends sympathy to the family.

### GAGE SPEAKER AT LIONS CLUB MEET

M. C. Gage, chief clerk in charge of the Truckee state quarantine station, spoke before the meeting of the Truckee Lions Club last night, telling of the work accomplished in pest control through the quarantine stations. Gage is thoroughly familiar with the work and discussed the subject interestingly. N. F. Dolley presided and provided the program.

### HALLOWE'EN FOOD SALE

The Pythian Sisters of Summit Temple No. 79 will have a food sale on Saturday, October 30 at Tonini's Grocery.

### Hallowe'en Party

The Hallowe'en party given by Naomi Rebekah Lodge No. 2 Wednesday evening was an enjoyable affair. Bingo was the diversion and delicious refreshments were served.

Signalman Bob Leamon who has been in Miami, Florida, for the past few weeks attending school following his 30-day furlough after the sinking of his ship, the Helena, has been transferred to New Orleans.

Pvt. Doyle McGwinn, who flew out from the eastern seaboard to attend his father's funeral, had to rush back so didn't get much of a chance to visit friends here.

### My Place In The Sun

By CORP. DOUG BARRETT

(Excerpts from letters from some where in the Alaska Theater.)

I just received a package of tobacco from home and really appreciated it. It makes quite a smoke although some of my comrades in arms do not appreciate its delicate aroma. However, we have a great deal of outdoors around here so if they don't like the smell they can always go outside—or I can, as the case may be.

The other evening I decided I did not care for a G. I. meal, so I went to the village and partook of roast moose served in its own gravy. Home made bread, potatoes, spinach and coffee topped off the repast. The meal was served Italian style, which was quite natural since the host was a native of the latest of the United Nations. He is one of the local traders, married to a local girl, and they really put out a meal, if you care for moose. Personally, I appreciated the change but would not like moose meat as a steady diet. It has too much of a gamey tang—like deer meat—more so. The standard rate for this meal is \$1.50 (no cover charge).

One of the lads over at the P. X. was telling me something about some of the birds around here. One particular species is known locally as a camp robber. In reality this fowl is a large crow and will steal anything that it can carry away. The soldier I was talking to was saying that he had some socks hung out on the line in front of his hut. While he was still in the vicinity, one of these big black birds came down and took hold of the socks in his beak. He tugged and pulled and flapped his wings but the garment was anchored with a clothes pin and he finally gave it up as a bad job.

My pipe is going out and the work is coming in so I'll close now.

### SON OF TRUCKEE WOMAN WRITES OF LIFE IN PERU

Mrs. T. W. Mellon of Emigrant Trail Lodge has received a letter from her son, Bob, now in Lima, Peru, in which he tells of the enjoyment and interest encountered in the South American country.

"Until I get back home," he wrote, "I'll never be able to tell you all how much I am enjoying my visit here. The Peruvians I have visited have been absolutely wonderful. Their hospitality is like it must have been in California before the days of the gold rush."

"High precipitous mountains are right behind the city. And what mountains! Steep, sharp and bare. A road follows a railroad up a canyon narrower steeper and deeper than the one you drive through just before entering Yosemite through El Portal. They tell me that in two hours fast drive from Lima, practically at sea level you can go to the pass at 16,000 feet! Every minute of one's stay here is absolutely fascinating. The city is over 400 years old and for 300 years was the center of pomp and splendour and of government for all the Spanish colonies of South America."

### NEARLY 1200 GET RATION BOOKS HERE

Exclusive of Lake Tahoe and the Donner Summit area, which are now being served through the office of the Truckee War Price and Rationing Board, exactly 800 registered here last week for Ration Book Four, it was announced by Clerk C. B. White who had charge of the task of issuing the new books.

At Lake Tahoe 314 were registered. In Tahoe City and Kings Beach, the former issuing 185 books under the direction of Mrs. Myrtle Gallinger and Mrs. Bliss Hinkle and Kings Beach handling 129 registrants under the direction of Mrs. Marian Wittman. That marked a total of 1114 books exclusive of Donner Summit from where no report had been received here.

Assisting White here were Mrs. Fritz Perry, Mrs. F. W. Gaiennie, Miss Marion Lothrop, Mrs. Ray Briles, Mrs. George Kamp, Mrs. Irene Bradbury, Mrs. A. P. Leitch, Mrs. E. L. Loynd, Mrs. T. T. Buell, G. E. Hofmann and John Brandlin.

74th Year, Number 38

### Visits Rotary Club

Andrew L. Haight of Carson City District Governor of Rotary Clubs, who spoke before the Truckee-Tahoe Rotary here Monday night.

### SPEAKER TELLS OF POST-WAR DUTIES

Speaking before the members of the Rotary Club here Monday night, A. L. Haight of Fallon, Nevada, the governor of District 105, urged the local service club men to take an active part in post-war plans. He called attention to the fact that the presence and influence of the Rotary Clubs in South America had done a great deal toward friendly feelings to the United States.

Haight is the first Nevadan ever elected district governor. G. E. Hofmann was program chairman and Dee Bowen presided. There were 14 members present and guests were W. F. Yates of Albany, Oregon.

### SERVICE CONTINUES ALTHOUGH LOCAL LAUNDRY CLOSED

For the time being laundry for Fontana's Laundry and Dry Cleaners will be taken to Reno for processing. It has been announced by Nat Quilici who will continue his routes as in the past. While no definite announcement has been made regarding the future of the local modernly equipped establishment it is hoped that it can be reopened soon and continued along the policies set down by the late owner A. P. Fontana whose untimely death a few days ago shocked the community. Mrs. Fontana has not definitely decided whether she will attempt to sell the valuable property or operate it.

In the meantime patrons are assured that the best possible service will be maintained.

### CHRISTMAS TREE HARVEST STARTED

The annual harvest of Christmas trees from private and government lands of the Tahoe National Forest has begun, Forest Supervisor Guerdon Ellis stated. Sales from government land and private land sales under government supervision will approximate 40,000 trees.

Ellis said that many landowners have placed their Christmas tree sales under Forest service supervision which assures them an annual harvest of trees cut under officers who regulate cutting so that only trees ready for market are taken.

Regulated cutting, he said, opens the way for younger trees to develop into Christmas tree size.

Most of the trees from the Tahoe Forest are marketed in San Francisco bay area with a few reaching southern California cities.

A 24-hour patrol against illegal cutting will be maintained this year. Ellis said and the laws governing the cutting will be rigidly enforced.

### MCDONALD NAMED TO HIGH S.P. POST

Appointment of C. J. McDonald as assistant to the president of the Southern Pacific Company has just been announced. He advances from mail and express traffic manager for the railroad.

In his new position, McDonald will also serve as president of the Southern Pacific Land Company and will continue as president of the Pacific Motor Trucking Company and the Pacific Motor Transport Company, the Southern Pacific motor auxiliaries engaged in coordinating rail-truck operations. McDonald started with S. P. in 1904 as a stenographer in Texas.

Here from Capital—

Mrs. A. Filipic is here from Sacramento for a few days visit.

### Midnight Chase Ends In Capture Of Jail Breakers

### Boys Escaped Ione, County Jail at Reno; Held By Patrol

A thrilling chase between the local quarantine station and Yuba Pass bridge Sunday morning at 2:15, resulted in the arrest by State Patrolman William Gautsche of two boys who recently escaped from the Preston School at Ione and who later were arrested in Reno only to escape from the Washoe County jail, take a car allegedly stolen and head for San Francisco.

The boys are Robert B. Short, 17, of Los Angeles and William A. Lamboy, 16, of San Francisco.

Patrolman Gautsche said he became suspicious of the boys when they stopped at the quarantine station and when they left he followed. At times they drove as fast as 80 miles an hour, he said, but finally he overtook them and cited them for reckless driving. A check of the state's teletype showed the boys were also wanted in Reno and the sheriff's office and United States marshal's office there were notified and the boys surrendered to them Monday.

The car driven by the Short boy was allegedly stolen from Edward Raves of Los Angeles and had been in a Reno parking lot.

### SISTER OF TRUCKEE WOMAN EXPIRES AFTER ILLNESS

Mrs. Byrd Randolph, sister of Mrs. Annie Tonini of Truckee, died at Berkeley on Tuesday following a lengthy illness. Her home was at Reno but she had been with her daughter, Mrs. Fred Cuneo in the bay city for some time.

Besides her sister here, the deceased is survived by two daughters and a son. Interment will be at New-castle.

The community joins in expressing sympathy to the bereaved family.

### TRUCKEE MEN TO OPERATE WINTER SPORT FACILITIES

James Thomas and Red Jolley are completing installation of the various necessities on the Truckee Winter Sports Hill across the Truckee river from here and will operate the ski tow there this winter, the latter has announced.

A large quantity of copper wire used in the equipment installation was found to have been stolen and is being replaced. Other equipment used by the Outing Club is still intact and facilities will be up to standard when winter sports fans invade the district this winter. Jolley and Thomas will operate the concession on a commercial basis without sponsorship from local organizations, it was announced.

### P. T. A. PLANS FIRST MEETING OF YEAR

The first meeting of the Truckee Parents and Teachers Association for the new term will be held at the grammar school auditorium on the evening of Friday, November 5 at 8 o'clock.

It is planned that the evening will be a reception for the teachers and all parents are urged to attend. Mrs. Judson Foster is president of the group.

### CLOSING PARTY OF TAHOE CLUB HELD

TAHOE CITY, Oct. 28.—Members of the Tahoe Women's Club met on Tuesday afternoon in the Community Center hall here a delightful luncheon was served. This is a customary procedure at the close of each summer season prior to the departure of members and the discontinuance of regular meeting for the year.

Among those planning and preparing the tasty menu were Mrs. W. A. Simmonds, Mrs. Stanley Martin, Mrs. Henry Worden, Mrs. C. O. Valentine, Mrs. Harry Johanson, and Mrs. Charles Swanson. Bridge formed the diversion after the dinner.

### Returns to Office—

A. P. Leitch who has been confined to his home with a severe cold, was back at his desk as manager of the telephone company. At the same time Leitch's small niece, Dianne Brown was at home with a cold.

# Sierra Sun

"IT SHINES FOR ALL"

## Truckee Republican

Truckee, Nevada County, California, Thursday, October 28, 1943

Since 1869

### : Sun : Beams

by WALTER M. BARRETT

One of the features of the Wyethia Club's Hobby Show which impressed us most favorably was the demonstration of the Boy Scouts. Although organized only a few short months and working by themselves, neither seeking nor receiving outside help, the boys have made rapid strides in Scoutcraft. As was shown in the fine exemplification of their work at the show Friday. We have the highest commendation for their leaders and believe the boys are entitled to much more credit than they receive. Nothing will ever replace Scoutcraft as a builder of boys and we are glad to see the determination to make the program a success in Truckee.

In spite of everything we are told by the Forest Service, attempting to show us where the select cutting of Christmas trees aids rather than harms the forest, we still get sore when we see huge truckloads of the perfectly formed trees passing en route to markets in the cities. The Forest Service can talk from now on and we would still believe that the destruction of trees damages the valuable water sheds of the forest. We know that the trees being cut by the scrupulous marketer are from areas where pruning is required, but we are equally convinced that many cutters are not so scrupulous and that damage in many localities is caused.

We gratefully acknowledge a note from our Tahoe correspondent this week in which she asked us to deduct a portion of her check each month to assist in sending the Sierra Sun to our fighting men overseas. We are sure the fellows in the service will appreciate this attitude as much as we do. Thanks, Swanee.

We suggest that you start your Christmas shopping right now. The local stores are prepared to offer you a good selection now, but there is no guarantee how long these stocks will last. The same thing applies to Christmas cards this year. We are being cut 40 per cent off last year's orders, so we urge that orders be placed early at the Sierra Sun to insure delivery.

### CITRUS MARMALADES WILL HAVE NO POINT VALUE AS JAMS, JELLIES RATIONED

When jams, jellies, preserves and fruit spreads are rationed next Sunday, October 31, citrus marmalades will appear on the ration list but will be given a point value of zero on the point table. Vincent J. Monteverda, district rationing representative of the CPA said this week.

Supplies of citrus marmalades are ample at this time, according to Monteverda, making possible the zero point for this variety of fruit spread.

Rationing has become necessary to restore these important spreads to grocers' shelves and to insure consumers a fair share of the supply in the future. Sales were suspended October 23 to prevent a run which would have wiped out present stocks. Such a run occurred last December and housewives were soon unable to buy it. Under rationing coffee was again made available.

### TWO WOMEN HELD ON THEFT CHARGES

Jean Lord, 25, and Jane Green, 22, said to be sisters, were arrested at Tahoe City Tuesday after Constable Harry Johanson had been notified the two were sought on grand theft charges by Sacramento police. They are accused of the theft of a car, \$140 in cash and a man's wrist watch but deny the charges, contending the accuser gave them the money and watch and assisted in the purchase of the car.

### RELIEF CAPTAIN IN CHARGE OF SQUAD

Captain George W. Peterkin of Orange County, has been selected to temporarily replace Captain Chas. LaPorte on the California Highway Patrol in this district. LaPorte is recovering from a major operation at his Roseville home. Captain Earl W. Personius has returned to his duties in Sacramento. Peterkin has been on the patrol for many years, but is in Northern California for the first time and is well impressed with the new detail.

### Sale of Tavern To Bay Man Is Announced Here

### Telephone Building is Not Included In Sale Of Local Property

An important announcement Tuesday of the sale of the Sierra Tavern was made by Miss Marietta Meagher administratrix of the estate of the late Mr. and Mrs. Timothy O'Hanrahan. The sale was consummated at San Francisco on October 25 to George S. Ellwell, who is connected with a chain of hotels.

Mr. and Mrs. E. DeLyle are managing the business for the new owner and renovating and general improvement of the property will soon begin.

The Telephone Building at the corner of Commercial and Spring streets, was not included in the sale although it is part of the O'Hanrahan estate here. Miss Meagher said that repairs will also be made on that property soon.

The hotel sale was made on the birthdate of the late owner, Tim O'Hanrahan, who was widely known throughout the state.

### HOBBY SHOW HERE REVEALS TALENT OF LOCAL PEOPLE

That Truckee is well endowed with an abundance of talent, was again shown last Friday evening when the Wyethia Women's Club staged its Hobby Show. Capitol Hall was well filled with scores of interesting items prepared by local people as hobbies.

Preceding and following a dinner served by the club women, the public was privileged to scan the exhibits which were arranged nicely.

Following the dinner a program was presented in which the Truckee Boy Scouts under the direction of Scoutmaster Reuben Swett, exemplified their work; the U. S. Forest Service showed two talking films of timely interest and Otis Vaughn of the Reno schools gave an interesting talk on hobbies and praised the efforts of the local contributors. Mrs. Bennetts showed some beautiful still pictures and Mrs. T. T. Buell, the club president, welcomed the visitors. Mrs. E. C. Bavier was chairman of the committee arranging the affair which it is planned will be an annual club project.

### TRUCKEE MAN IS FINED FOR SMOKING

Arthur Panero of Truckee was fined \$10 October 21 by Justice of the Peace C. E. Smith for smoking while traveling in a car on a back country road just north of Truckee Ranger Station a week before. He was arrested by Fire Prevention Officer William French.

Panero admitted he passed a large "Smoking Prohibited" sign, District Ranger H. I. Snider said, but told Judge Smith he thought it was intended for hikers and that he would be within the law to smoke in the car while driving.

### OFFICERS ESCAPE IN AUTO ACCIDENT

Lt. Col. H. Y. Stewart, 29, of the U. S. Air Corps, suffered minor injuries last Thursday when a car operated by Lt. John M. Hoobyar, of Woodland skidded in the loose snow near Soda Springs and left the road.

The two officers were traveling west at 7 o'clock in the morning when the mishap occurred. Patrolman Glenn Smart of the highway patrol squad here investigated.

W. H. Carter of Lincoln, employed on the railroad near here, was cited by Patrolman Earl Crane for traveling 60 miles an hour this week.

### LOCAL TEACHER IS MARRIED IN RENO

Miss Lily Dal Porto, member of the local high school faculty, became the bride of Ray Briles at a double ring nuptial ceremony at Reno on Friday evening, October 22.

The young couple have taken an apartment in the Telephone Building and are newcomers to the community.

Mrs. Briles who came from Oakland, attended the University of California and Briles has received an honorable discharge from the army following injuries received in battle. He attended the Chico State College before entering the service.

America needs men who can STAY on the job. 90% of lost time in war work industries is due to sickness—not accidents. This work loss will reach a high peak this winter unless all workers strictly adhere to the rules of health.

Look at these figures! In 1941 illness caused a loss of 100 million man-days of work. Upset stomachs were responsible for the loss of 25 million man-days. The common cold caused a loss of 45 million man-days. Eye strain and ailments caused a loss of 35 million man-days.

Take care of yourself OFF the job—at home as well as on the job. Plan and eat nutritionally balanced meals for body strength and energy. Keep your home heated at healthful temperature, neither stuffy hot or goose-pimplily chilly. When you use your eyes give them adequate light for restful, comfortable seeing.

Conserve your health. Do your part in the National Health Protection Program this winter.

## Tahoe Schools

The educational sound pictures shown at the Tahoe Lake school auditorium Monday included Stephen Foster and the United States Coast Guard.

Mrs. Myrtle Gallinger announced Monday that a total of 185 persons had registered in the schoolhouse last weekend for Ration Book Four. Some residents secured their books elsewhere but had all registered at Tahoe they would have totalled 206.

An epidemic of colds struck the grammar school classes last week with six pupils ill at home Friday.

The classroom of Mrs. Myrtle Gallinger's junior graders is bedecked this week in the gay orange and black of Hallowe'en with goblins and fairies and yellow pumpkins and witches in evidence on all sides. Brief Hallowe'en festivities will be held in the classroom Friday at 1:30 p.m. All parents and friends are invited to attend.

This week there flies from the flagpole above the Tahoe school the new California Bear flag, attached below the national emblem of the stars and stripes. A new state law inaugurated on August 4 states the bear flag, when flying from the same pole, must be hung below the national banner.

This week the office of the county superintendent of schools has arranged reasoning and fundamental tests for the pupils of the school over the fourth grade which will aid in determining and correcting weak spots in their educational concepts.

The Junior Red Cross members last week brought home to their parents and families a new chart published by the parent chapter, listing the causes of and corrective measurements to be taken for all the common home accidents which are daily taking a large toll of lives in the United States.

## MORE PRESSURE COOKERS

Rationing controls on pressure cookers for individual use are being relaxed because of increased supplies now in the hands of dealers, the War Food Administration announced this week. Applications for purchase should be made to the Farm Rationing Committee of USDA county war boards. Information may be obtained from war price and rationing boards as to where applications may be made in communities where such county boards do not exist.

## LEGAL NOTICES

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA IN AND FOR THE COUNTY OF NEVADA

In the Matter of the Estate of L. P. McKelvey, also known as Larry McKelvey, Deceased No. 4351

NOTICE OF TIME SET FOR PROVING WILL, ETC. AND APPLICATION FOR LETTERS OF ADMINISTRATION WITH WILL ANNEXED.

NOTICE IS HEREBY GIVEN that a petition for the probate of the will of L. P. McKelvey, also known as Larry McKelvey, deceased, and for the issuance to Sarah McKelvey of Letters of Administration with the Will Annexed has been filed in this Court, and that Friday, the 5th day of November, 1943, at 10 o'clock A. M. of said day, at the Courtroom of said Court, at the Court House in the City of Nevada City, County of Nevada, State of California, has been set for the hearing of said petition, when and where any person interested may appear and contest the same, and show cause, if any they have, why said petition should not be granted.

## LAST RITES HELD FOR C. W. ATHERTON THURS

TAHOE CITY, Oct. 28.—Over 50 persons attended the funeral of Clarence W. Atherton, who passed away last week at his Fallon home. Funeral services and interment were in Fallon last Thursday. Many lovely floral pieces were sent by his local friends, many of whom had to forego attending the funeral. Among those who made the trip were Mr. and Mrs. C. W. Vernon, Mr. and Mrs. Willis Hevel, Mrs. Amelia Wehrman, Mr. and Mrs. Weller Atherton and Mrs. Ida Simmonds.

Steve Craig is the Tahoe man who brought back the huge muletail buck from the hills of Nevada which dressed down to 215 pounds.

Mr. and Mrs. Fred Kilner of Home-wood are spending several weeks at their home in Auburn. They plan to return to Tahoe before departing for the winter.

## SERVICE STATIONS MAY ADJUST GAS COUPONS

Service station operators and intermediate gasoline distributors who are stuck with out-of-date or reduced value coupons acquired after September 22 may apply for relief to the rationing boards, the OPA has announced.

The applicant must state why he was unable to exchange his coupons on time. If his reason is satisfactory the board will issue inventory coupons to replenish his supplies.

Motor cars are almost human these days, remarks Gordon H. Garland, director of motor vehicles, but none has yet been invented that will think for its driver.

## Tahoe Briefs

Constable and Mrs. Harry Johanson returned from Sacramento Friday where Mrs. Johanson had visited for several days at the home of her parents, Mr. and Mrs. Henry Zacharias. The later enjoyed a visit at Tahoe with her daughter while the constable went bear hunting for a week.

J. E. Pomin returned from a visit with his wife in Sacramento last week reporting her condition as satisfactory, as can be expected. She is being cared for in a private sanitarium in the capital city.

We wish to make a correction regarding an article recently published relative to the improvements at the Tallac Fish Hatchery this summer. Due to a typographical error, the article read that "a one inch pipe line was installed to supplement the water supply there," whereas it should have read a 16-inch pipe line.

Mrs. Rose Boylides has returned from the bay region where she has been residing since her recent illness. She is reported greatly improved in health. She plans to close her home in the Bittencourt tract and leave for the winter soon.

Mr. and Mrs. C. O. Valentine have closed Valentine's Lodge near the Tavern for the season and are planning on departing for the sunny southland for the winter about November 1. Mr. Valentine (who celebrated another birthday last Tuesday) has been confined to his bed with an attack of the flu, but was reported improved Monday afternoon. The Valentines plan to purchase a book to be placed as a memory to their old friend, the late C. W. Atherton in the Tahoe library.

## Records on Wire

Marvin Camras, 27, of Chicago, with his device which records sound on steel wire as thin as human hair. An eight-hour continuous program can be wound on a spool five inches in diameter and two inches wide. These recorders have been installed on naval ships and soon will be produced in quantity.

The lake level Monday stood at 6227.37 with the gates closed Monday while repairs were being made to a government bridge across the Truckee river about four miles from Tahoe. The flow on Sunday was 176 CFS. It will probably be several days before the repairs are mended and the gates opened again. Monday night's low temperature was 24, the coldest night this fall being recorded October 19 with 19 degrees.

Chris Nielsen is receiving medical attention for injury suffered while working on his boathouse. While lifting a shoulder bone was dislocated. Miss Pat Henry spent the weekend at Tahoe visiting friends. She is living in Reno where she is meteorologist at the Reno airport.

Mrs. R. A. Emberg and husband and daughter, Sara, of Berkeley are guests at Lake Chalets in town this week. Mrs. Emberg is the sister of Marshall and Orrin Lowell of Auburn.

Large loads of Christmas trees can be seen leaving the Tahoe region daily many being cut in the district back of Chambers Lodge.

## TAHOE LETTER

### To the Service Men From SWANEE

Tahoe City, October 25th

Dear Tahoeites:

Stayed out patting too late Sunday night to write my weekly news letter, so Monday morning finds me visiting you again via my typewriter. A brisk wind blows through the pines and the sky is overcast, although the sun shines through at irregular intervals. The temperature is decidedly cold, with snow mantling the surrounding mountains. The gold of autumn still clings to some of the willow and aspen trees, although the recent heavy rains destroyed the full beauty which might have equalled Tahoe's most colorful falls. Only a bit of autumn splendor remains here and there in sheltered places untouched by the storms.

Yesterday was to have been the wedding day of Miss Mary Jane Soll, daughter of the Henry Solis of Pine Lodge and her fiancé, Norman Dewhurst of the bay region. But Fate intervened and Mary Jane found herself instead, sick in bed with a high fever, which precluded any thought of marriage festivities or a trip to the Tahoe region. The dozens of guests who had been invited to attend the home ceremony at Pine Lodge were disappointed, but the change in plans was unavoidable. Mrs. Soll had worked for a week preparing good things to eat and in readying their lovely new home at Tahoe Pines where the newlyweds were to have stayed while at the lake. But since a phone call late Saturday changed their plans, she then invited a number of friends in anyway to partake of the quantities of delicious food on hand. For dinner she entrained Mr. and Mrs. Herbert Haley, Mr. and Mrs. Dyke Moore and children, Shirley and Dennis, Mr. and Mrs. Henry Worden, Miss Patricia Henry of Reno and the writer. We toasted the missing bride and groom and dined sumptuously and eyed the huge pile of beautifully wrapped wedding presents with doleful eyes, for it would have been fun examining them. Later in the evening Captain Hans Hansen and his houseguest for the past weekend, R. W. Larsen of San Francisco dropped in for cards. Dewhurst called on Sunday to say that Mary Jane was much improved and that if sufficiently recovered they might be married Monday in the bay region and visit Tahoe later. Almost weekly I hear of some Tahoeite investing in a small farm with the trend to indicate a desertion of the city and its mad scramble. Among the latest to sell their home in town are Mr. and Mrs. Louis Gerkin of Sacramento (she is the former Agnes Soll) who are now located at Fair Oaks, about three miles out of town on a five-acre ranch. The entrance to their property is lined with nice palm trees and among other assets they now have a five room house, out-buildings, three 300-pound pigs, rabbits, chickens, a Jersey cow, fruit trees, oranges, grapefruit and grapes, farm implements, vegetable garden a half-acre of peanuts and all the water they can use. Sure sounds like an ideal proposition, Louis still

R. W. Larsen of San Francisco was a guest at the Rubicon Lodge home of Captain Hans Hansen over the weekend. He is chauffeur for George T. Cameron owner and publisher of the Chronicle. While here he enjoyed a 14 mile hike into the back country hoping to snare a bear rug for his living room but had no success. Hansen planned to accompany his guest back to San Francisco for several days visit in the bay area.

Mr. and Mrs. Theodore Schlueter last Tuesday motored to Oakdale where they visited at the homes of Mrs. Schlueter's brothers, Rhen and Clyde Wilsey, both of whom have ranches in that area. The almond harvest was in full swing and they enjoyed the novelty of watching the procedure. They returned to Tahoe Thursday.

works for the telephone company six days a week but gets home early to attend his chores. I like everything about it, except the terrific summer heat which the Sacramento valley generates!

The Monett Hamiltons have returned to their resort, Tahoe Lodge, after having spent some time at their place in Palm Springs. They recently heard from Sonny Hamilton, who has seen a lot of service with the navy, now having a three weeks' respite on shoreleave at an eastern port while his ship is laid up for repairs. He as well but would welcome a visit home with his family.

Home for the weekend were Carl Wheat and his high-flying daughter, Edna, who has six hours and 35 minutes in the air to her credit at the Nevada aviation school which she is attending. Mr. Wheat has been working at Tonopah.

A gala dinner party was held at the home of Mr. and Mrs. J. K. Tackett of the Drum Estate at Meek's Bay Sunday. Guests gathering to enjoy their hospitality included Chief H. D. Stark of the Navy and his son Donnie from San Diego, Mr. and Mrs. H. K. Tackett and daughter, Harriett and Mrs. Molly Sheldon all of Truckee, Mr. and Mrs. S. P. Brown of Edwards' Lodge and Mr. and Mrs. Roy Stark of the Dollar Estate. The Jay Starks, married Sunday in Glendale are expected in today sometime for a ten day honeymoon at Tahoe.

The Chris Nielsens of Tahoe Park entertained at Sunday dinner, their visitors including W. M. Cooper of Hobart Mills, Mr. and Mrs. Will Dean of Reno and their son's new wife, Mrs. Leslie Dean. The latter is the former Miss Yvonne Eckstrom who will be remembered at night operator at the Tahoe City telephone exchange all summer. She is remaining in Reno while her young husband does his bit in the air force in New Orleans. The pair were married over three weeks ago in Carson City. The bride is a former student in aviation having spent some time in the Nevada School of Aeronautics.

Miss Doris Woodhouse, grand-daughter of the late V. S. McClatchey is visiting at the McClatchey Estate in Sunnyside for a few days, taking advantage of the between semester periods for a well earned vacation. She is attending the University of California where she is majoring in social welfare. Her mother, Mrs. Valentine Woodhouse is in charge of a department in the Bethlehem Steel Company's shipyards in the bay region and her brother, David is employed in war work. Miss Woodhouse is accompanied by a companion, Miss Nancy Porter.

The whereabouts of Mrs. Gerda Kvistberg still remains shrouded in mystery at this writing. A special delivery letter and a telegram sent by Mrs. Janet Watson, Tahoe postmaster, were returned undelivered to Lt. Com. John Kvistberg at Avalon. It is believed here that he may have been assigned to active duty.

I wind up another newsletter for the week with a reminder that this month marks the first anniversary of the weekly Service Letter to you boys, it being just a year ago this feature was inaugurated. It would be pleasing both to the writer and the editor to receive comments or suggestions regarding this service as it is my earnest desire to tell you the things you want to hear about. Through the months past numerous of our subscribers have written to tell me how much they enjoy the letter but while I strive to please all it is the service men to whom I write primarily. All are invited to share their news of service men's activities with us either by telephoning or mailing. Please let me hear your comments or criticisms.

The first of our fall holidays, Halloween, is just around the corner. Let's hope you boys prove more than a bogie-man for the troops of Hitler and Hirohito! This morning's news quote Montgomery as saying: "At last we can see the beginning of the end!" Here's hoping his eyesight is not defective! Good luck, good cheer and all good wishes from the folks back home. May peace and victory be ours ere 1943!

As ever,  
SWANEE.

## MYSTERY!

When Nora and Ted tacked a "for sale" sign on their home, neighbors were mystified. It was one of the most attractive on the block and they seemed so happy in it.

What those neighbors did not know was that improper financing had turned the house into a source of perpetual worries. . . worries which Nora and Ted might have avoided had they arranged their financing at this bank.

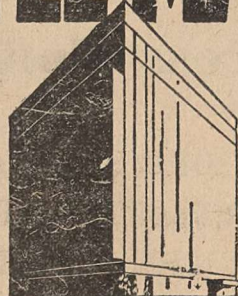

For every day, Bank of America's real estate loan service enables home owners to select the type of loan best suited to their personal financial needs.

If you require money to buy real estate, to refinance, or if you wish to borrow on real estate for any purpose, come to this bank.

Will Play Here November 4

Tickets are being sold by the members of the Wyethia Women's Club for the lecture and recital to be held at the grammar school auditorium on the evening of November 4, featuring Allan Bacon, pianist and organist from the Conservatory of Music at the College of the Pacific in Stockton. Bacon is widely known and the program promises to be a rare treat for local music lovers. He will also speak briefly on the value of music in this war-torn world. Bacon has been affiliated with the College of the Pacific since 1922 and prior to that was for three years at Parson's College, Iowa as head of the piano and organ department. His series of organ recitals attracted wide attention and his piano lecture recitals at various schools and other organizations brought his name into prominence. Those planning to attend this hour of music are urged by Mrs. T. T. Buell, club president to purchase tickets in advance. They may be obtained from members of the club or at the door the night of the event.

Tahoe Briefs • •

By SWANEE

A. M. Anderson, proprietor of the Village Store returned to Tahoe on Friday following a well deserved vacation in the bay region where he was the guest of his old friends, Mr. and Mrs. Si Ward of Oakland.

Mr. and Mrs. Harvey Seickert and children have left Tahoe and are now residing in Reno for the winter. They were formerly stationed at the Tahoe Park Forests Ranger station. In their place are Mr. and Mrs. Gerald Lundell of Turlock who will remain at the post until December 15. Lundell is a nephew of N. R. Mayfield of Tahoe City.

Mr. and Mrs. Dave Chambers left their Tahoe resort for their Woodland business this week, accompanied by the former's brother, George, who lives in San Francisco.

Former Postmaster Ill—

Word was received this week of the illness of Mrs. M. S. Rutherford. Mrs. Rutherford was postmaster in Truckee for many years and since leaving here has resided in Berkeley. She is with her daughter, Mrs. Owen Bentley in Portland. Her many local friends hope for a speedy recovery to health.

Child Named—

Denver Lee was the name chosen for the son of Mr. and Mrs. Clair P. Goode at Hanford and former local people. The baby was born on October 17.

CARD OF THANKS

We take this method of expressing to our many neighbors and friends our heartfelt thanks for the deeds of kindness and expressions of sincere sympathy offered us during our recent loss.

The Fontana Family.

Home Again—

Mr. and Mrs. L. A. Greene and daughter, Regina, returned Monday from a two weeks vacation and buying trip in the bay area.

To Roseville—

Mr. and Mrs. H. S. Eaton left for their Roseville home Sunday following their residence here since May. Guests at their home Sunday were Mr. and Mrs. Gale Blevins and Harry Eaton of Fair Oaks and Hilton Eaton of Sparks.

Cutting Trees—

James Leamon celebrated his 18th birthday on Tuesday by cutting trees for Joe King in Sierra Valley.

At Shingle—

Joe E. Joerger, Truckee cattleman has returned to Shingle for the winter.

Idaho Guests—

Mr. and Mrs. J. F. Deaton of Pocatello, Idaho, are the guests of Mr. and Mrs. V. L. Deaton, having arrived early this week.
